

Step by step Grotto Cards

1. Print off all 4 of your sheets onto card. If your printer won't take it back your sheets onto card. (Fig 1).

Fig 1

2. Cut out your main pieces. Then using a craft knife cut along the solid lines on the grotto pieces, (fig 2). Follow all the lines making sure you take out the small pieces as in fig 3.

Fig 2

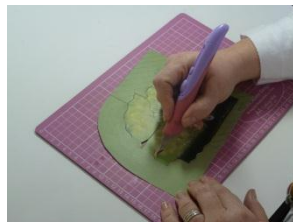

Fig 3

3. Using a score board score down the broken lines as in fig 4.

Fig 4

4. Push all your fold lines into shape following the instructions from the cd. To make sure all your cut lines and score lines are in the right place fold your grotto flat as in fig 5.

Fig 5

5. Put extra strong tape across the area where stated on one side of your grotto. (Fig 6).

Fig 6

6. Attach your other piece matching up the edges as in fig 7. Your card should look like fig 8.

Fig 7

Fig 8

Your card should be able to fold flat as in fig 9.

Fig 9

7. Cut out your other pieces. Attach the fronts to the front of each side putting using double sided tape. (Fig 10 & 11).

Fig 10

Fig 11

8. Cut out your chosen base, cutting on solid lines and scoring on the broken lines. (Fig 12). Make up the base using strong double sided tape (fig 13).

Fig 12

Fig 13

9. Cut up the slits as marked on the box, see fig 14.

Fig 14

10. To finish your Grotto card add the extra decoupage elements to the front (fig 15). Fig 16 is how your card looks from the back with your base tray in place.
