Cup Cake Holder.

1. Cut a square piece of backing paper 20cm x 20cm. (Fig 1).
2. Turn your paper over and draw a faint line from corner to corner, (fig 2). Turn the paper round and draw another faint line from corner to corner to create a cross to find the centre of your paper, (fig 3).

9. Your finished box should look something like this (fig 22).

10. Make 6 boxes in contrasting colours using the above technique. Cut out a rectangular piece of thick card 21cm x 14cm for your base and two 3.5cm x 28cm for your handles. Position

your boxes on the base then attach your handles under where the middle boxes will be. Attach your boxes with double sided tape. Attach your handles together at the top by putting a slot in each side and slotting them together. Decorate your boxes and handles with gems and embellishments.

11. Put 6 cupcakes in the boxes and enjoy.
