### **Instructions**

1. Print off the template from our website.
2. Print off your chosen backing paper from your cd. If your printer will take it print the template on one side and the backing paper on the other, otherwise, back your paper onto card and transfer all the markings from your template.
3. Attach your two pieces together by putting double sided tape along the small tabs on the backing paper side.
4. Print off your favourite recipes and keep them in your Recipe Box.
5. Decorate your box with gems and embellishments.
