

## **Table Centre Piece**

### **Materials**

A4 Card  
Frames from CD  
Backing Papers from CD  
Sentiments  
Mirror Card  
Glitter  
Gems  
Embellishments

### **Equipment**

Scoreboard  
Bone folder  
Glue or double sided tape  
Quickie Glue Pen  
Scissors  
Paper trimmer

### **Instructions:**

1. Cut a piece of card 21cm x 21cm, this will be your base.
2. Print off your backing papers, 4 frames and 4 sentiments from the cd. (Use the snapshot tool to chose one frame if you wish and print it 4 times. See the "Help" section for how to use the snapshot tool).
3. Cover the base with a piece of backing paper attaching using double sided tape. (See fig 1)

Fig 1

4. Cut four pieces of card 9cm x 18cm. Put a mark along the long edge of each piece at 9cm and score down to make four square cards. (See fig 2 and fig 3).

5. Cover the front and inside back of each square card with paper, attaching with glue. (Fig 4).

Fig 4

6. Open the cards and score across the inside front from the bottom left hand corner near the fold line to the top right hand corner. (Fig 5). This will make four twisted easel cards.

Fig 5

7. Attach your first twisted easel card to the top left hand corner of your base facing towards the left. Leave a small even gap at the edges. Attach the next one facing towards the top. (See fig 6). The third facing towards the right and the fourth one facing the bottom. Your easels should create a diamond. (See fig 7)
