Christmas Angels Scene Card

1 Print the Scene card template from the cd. Transfer all the markings onto card cutting on the solid lines and scoring on the broken.

2 Print out the Scene Card papers. If your printer will take it print directly onto card otherwise back onto card now to give some support and then cut out.

3 Cover the back piece with the main scene attaching with double sided tape or glue.

4 Wrap tab 1 around the back of the scene towards the top and attach. Repeat to the other side.

5 Wrap tab 3 around the bottom. Repeat to the other side.

6 Fix frame on top.

7 Attach the side posts onto the frame.

8 Wrap tab 2 around the frame as shown. Repeat to the other side.

9 Attach layer 2 on top

10 Attach the sentiment across the top with foam pads

11 Wrap tab 1 around layer 2 near the bottom. Repeat to the other side.

12 Attach the front section on top.

13 Use the extra elements to decoupage the cloud and the angel to add extra interest and dimension.

14 Add a sentiment to the back. Finish with glitter and gems.
